POMPO USE STUDY COMMITTEE

The Pompo Use Study Committee, which reports to the Board of Selectmen, is composed of five members, each serving an indefinite term. The Committee is responsible for finding the best use possible for the Pompositticut School Building after the Nashoba Regional School District has vacated the Building.

In the past year we have been gathering information by utilizing on-line surveys, newspapers, public forums and interviewing those departments, groups and businesses that are interested in space at the Pompositticut building. It is our mission to be sure that everyone is heard and we deliver an accurate and well-planned idea for the building.

The Committee wants to thank the Board of Selectmen, the Town Administrator, and all the Town Departments that supported us through the year, and especially the citizens that took the time to share their ideas and thoughts with us.
